

CONGRATULATIONS! YOU SAVED YOUR LEISURE CENTRE!

You have hopefully already heard the great news: the first battle has been won and Cricklade Leisure Centre is staying open! The Centre is now being run by the people of Cricklade.

Now we really need you to show your support by actually joining and using the Centre. It's very important that the Centre has some regular and predictable income. Please sign up for one of the KLIC monthly Membership packages - there's one to suit everybody. Details are shown below. You will only need to use the pool or the gym a few times a week for these to be great value, especially for families. Please note there is a 'Friends of KLIC Membership' available - choose this if you only want to use the bar and café, but would like to show your support for the Centre by making an annual donation. And there is a flat-rate annual membership that allows you to book courts up to a week in advance. Of course, you will still be able to continue to use the Centre on a casual basis, paying as you go, if you would prefer.

If you would like a monthly Membership, please complete the details on the Application Form and Standing Order form and hand them BOTH in to the Reception Desk at the Leisure Centre. (NOTE: even if you have previously given us your details and stated your intention to take out a membership, we still need you to fill in both forms)

Finally, if you are a member of a group that might be interested in using the Leisure Centre facilities on a regular basis, please contact the Centre to discuss this.

**Remember: Now it really is your centre
Please use it, or we'll lose it!**
