

## Keep Leisure In Cricklade Vacancies

The Leisure Centre has passed over to the people of Cricklade for us all to support and run.

We currently have vacancies for the following positions and we are interested in receiving applications from local residents. The positions are mainly of a part time casual nature but we are prepared to consider more regular employment options.

### **Recreation Assistants**

To ensure that the various activities taking place at the Centre are planned and prepared.

Ideally, applicants will be Lifeguard qualified (NPLQ).

### **Receptionist**

To deal with customer bookings, membership applications, answering queries and other general Centre administration.

### **Cleaners**

To ensure that the facilities of the Centre are clean and tidy and present a good customer experience and impression.

### **Bar Staff**

To provide a support service to the bar and associated services that is to re-open in the near future. Previous experience would be an advantage.

- Further information and application forms are available from the Leisure Centre.
